

# FRATERNAL ORDER OF POLICE

## SILICON VALLEY LODGE 52

### 2019 Fallen Officer Memorial Fundraiser

*Nationwide in 2018, 148 police officers and 27 police canines were killed in the line of duty.*

Join Silicon Valley Lodge 52 of the Fraternal Order of Police in honoring law enforcement officers who lost their lives protecting the community they serve. Together with the community, we dedicate a specially decorated Christmas tree honoring those who paid the ultimate price. Custom made etched-glass ornaments with the officer's name, agency, and end of watch date are inscribed on each one. The tree is then publicly displayed during the holiday season. Community involvement and participation is an integral part each year for the Fallen Officer Tree dedication ceremonies. Our program includes an inspirational benediction, a choir and a police bagpipe procession. Community, government and business leaders, along with people from all walks of life, join together with families and friends of the fallen officers to honor and acknowledge those that lost their lives.

We also acknowledge and recognize the many police canines that were killed protecting officers and the community. At the end of the season, each special ornament is carefully packaged and presented to the agencies and/or families of our fallen heroes to honor their service and ultimate sacrifice.
